Hi Janette,

One of my team is out this week, so I couldn't definitively schedule but let's hold Tuesday at 9 – I am 95% sure that works.

I can send a Teams invite unless you prefer to.

Thanks,

Tasya

Hi Tasya. If you think an hour is good then let's go with it. Here are times that Rene, Howie, Aaron, and I are available –

Mon Aug 16<sup>th</sup>: 9-10 and 1-2

Tue Aug 17<sup>th</sup>: 9-10 and 11:30-2:00

Hi Janette,

Right now I think Pat and I can do the 12<sup>th</sup> and 13<sup>th</sup>, we just wouldn't have Trevor as he is out that week. I would say okay to use as backup dates though.

Let me know what you would like to cover, I was thinking we would only need about an hour but want to make sure we are preparing the right level of detail to convey at that point.

I don't have anything new to report this week and actually have a potential conflict at 11, so I think okay to skip this week.

Thanks,

Tasya

Hi Tasya. I'll be working only Mon 16<sup>th</sup> and Tue 17<sup>th</sup> that week. We probably need a couple of hours for the meeting, or at least 90 minutes I guess. I ask Rene, Howie, and Aaron about their availability for those days. As a backup would it be possible to do it the prior week maybe 12<sup>th</sup> or 13<sup>th</sup>? Do we need our check-in this Thursday? I don't have anything to cover but happy to meet if you have anything to report, even if only a short while.

Hi Janette,

How does meeting sometime between Aug16-18 and then submitting the Round 91 report the week of Aug 23<sup>rd</sup> look for you?

Our data validation is still pending, but I think we will get it any day now and so that schedule would work for us.

Hi Tasya. Following up from our last meeting, do you have an idea yet when you'll be submitting the Round 91 report and when we might be able to have a meeting with the whole EPA/DOF group?

I hope you're staying cool!

Janette
